FOR IMMEDIATE RELEASE

Catherine Bergeron donates knitted mittens to Head Start

Lewiston, ME (September 8, 2009) – Catherine Bergeron, an 85 year old resident of Lewiston, recently donated 50 pairs of mittens which she knitted for Androscoggin Head Start and Child Care. Bergeron decided to donate her time after her daughter, Rita Conner, a Member of the Board of Directors with Androscoggin Head Start and Child Care, told her about the children in Head Start's programs, and how many do not have proper winter clothing. Knitting since age 11, Bergeron used her talent to benefit 50 children. She also knits for her 18 grandchildren, 31 great grand children and her first great, great grandchild, and sometime for her own 7 children. She enjoys knitting, sewing, and playing cards and bingo with her friends and siblings.

For more information about Androscoggin Head Start and Child Care, please call 795-4040 or www.AndroKids.com.

Photo Attachment: Catherine Bergeron proudly displays the mittens she knitted for the children of Androscoggin Head Start and Child Care.
