Head Start Receives Diaper Donation

Lewiston, ME - After a very successful Diaper Drive was held at Community Credit Union, Androscoggin Head Start and Child Care received 52 boxes of diapers. Board Members, Management, Employees and most importantly, Members of Community Credit Union raised over \$1,500 to help the children in our communities.

Board Members, Management and Employees started the Diaper Drive by making personal contributions that amounted to \$480. In addition, they held a 50/50 Raffle during the month of December to help raise additional funds to purchase diapers. The 50/50 raffle raised over \$1,800, providing \$944 to purchase diapers and the other \$944 going to one lucky member just in time for the holidays!

“It was a pleasure to provide these diapers for Head Start; they provide a well-needed service for our communities. A special thanks goes out to our employees and more importantly our members; it would not have been as successful without them.” said Jennifer Hogan, Marketing/Business Development Director for Community Credit Union.

“We are very thankful for this wonderful donation. On a weekly basis, we go through more than 900 diapers, which you can imagine gets expensive” said Betsy Norcross Plourde, Executive Director for Androscoggin Head Start.
