Head Start Receives Diaper Donation

Lewiston, ME - After a very successful Diaper Drive was held at Community Credit Union, Androscoggin Head Start received 40 boxes of diapers. Board Members, Management, Employees and most importantly, Members of Community Credit Union raised over \$1,500 to help the children in our communities.

Board Members, Management and Employees started the Diaper Drive by making personal contributions that amounted to \$480. In addition, they held a 50/50 Raffle during the month of December to help raise additional funds to purchase diapers. The 50/50 raffle raised over \$1,000, providing \$500 to purchase diapers and the other \$500 going to one lucky member just in time for the holidays!

“It was a pleasure to provide these diapers for Head Start; they provide a well-needed service for our communities. A special thanks goes out to our employees and more importantly our members; it would not have been as successful without them.” said Jennifer Hogan, Marketing/Business Development Director for Community Credit Union.

“We are very thankful for this wonderful donation. On a weekly basis, we go through more than 400 diapers, which you can imagine gets expensive” said Estelle Rubenstein, Executive Director for Androscoggin Head Start.

Head Start is a program for children and their families, providing pre-school and child care services, education, nutrition, and support for families. Androscoggin Head Start and Child Care’s mission is to promote the positive growth of children, families and staff.
