**FOR IMMEDIATE RELEASE**

**ANDROSCOGGIN HEAD START’S FDC CLASSROOM ENJOYS WINTER**

**Lewiston, ME (March 7, 2008)** – Androscoggin Head Start and Child Care's Family Development Center classroom, located in Auburn, recently celebrated winter by creating a classroom mascot, a snowman, complete with pom-pom eyes, a pine cone nose, a colored stick for a mouth, and cardboard paper rolls for arms. The children had a wonderful time enjoying the warming weather and fresh snow. With the help of frequent volunteer Jerry Hubbard of Bridgton, husband to Teacher Assistant Diane Hubbard, the children, plus Head Teacher Susie Allison and Family Service Advocate Virginia Starbird enjoyed the fresh air, and “made” a new friend.
